

KSJ Fortnightly Flyer

Dear Parents/Carers,

I thought it may be helpful to complete a fortnightly update of how things are in school, rather than monthly. It has been a wonderful first week back – just magical to have our children back in school and laughing, loving, learning and achieving.

I would like to thank our children, and all parents for your support with regards to the arrival and departure from school. The morning systems to be working far more fluidly, but everyone has shown respect for social distancing whilst on our school grounds.

Snack

Thank you to those families who have organised the ordering and payment for snack. It isn't too late. You can order on Monday £3.00 for snack and drink, £1.50 for snack only. If you wish to pay from now until half term – just contact the school office to clarify the cost.

End of the day

Thank you for your patience with the close of the day procedures. I know it isn't ideal to collect one sibling, then walk around the school building to return to collect the next. I am very reluctant to arrange a wider staggered collection, however, I do recognise that for some families it isn't an easy process. I am happy for families with siblings to arrive at the later time to collect the children, if this is more suitable.

Welcome

Welcome to our school family to Stanley, Jack and Lincoln who join us in Year 2, 4 and 3. All have had fantastic first days/week. More smiles to fill our school.

Growing up

It has been so lovely to see last year's Y6 heading off for their first days at secondary school. There have been very pleasing reports of them showing confidence, brilliant attitudes and KSJ values. Well done to each of them.

Celebration Worship

Unfortunately, we are not able to share our celebration worships together at the moment. Classes will still have stars of the week, and celebrate individuals in their own ways. Class 1 and 2 are able to get together with some social distancing to be able to celebrate together.

Mrs Jones will prepare videos for the classes to show and share her joy at their achievements.

Have a wonderful weekend

See you on Monday xx
