

# KSJ Fortnightly Flyer

Dear Parents/Carers,

Wow, it is October already – although September did feel like 3,000 days rather than 30. The children have been considering harvest this week and listening to their Cauliflower's Fluffy' hymn. We will continue, over the next few weeks, to encourage our children to see gratitude for God's world all around them and appreciate the produce from the land.

It has been a much healthier fortnight at KSJ, sniffles have reduced and the children have been learning with rosy faces and generally big smiles. Please do remember the 3 main symptoms to keep an eye out for, and if any develop, please do not send your child to school.

The symptoms to be aware of are:

- A high temperature (above 37.8) even if it does come down with calpol
- A persistent cough (over 1 hour of continuous cough, or 3 separate episode of a dry cough in 24 hours)
- Loss of the sense of taste or smell

## Social distancing

Thank you for your patience with the new routines for the end of the day. It is working much better. Please do remember to move off the school premises upon collecting your child/children. Also, a big thank you for wearing your face coverings... And the reminder to Mrs Jones, when she is rushing around and forgets.

## Cauliflower Christmas Cards

Your child's Christmas Card design has been sent home. If you wish to purchase cards, wrapping paper or gift tags, please follow the instructions on the paper to order online.

**THEN YOU MUST RETURN THE DESIGN  
TO SCHOOL BY WEDNESDAY  
7<sup>TH</sup> OCTOBER**

## Parents' Evening

We are hoping to hold a virtual parents' evening on Wednesday 14<sup>th</sup> October. The class teacher will either contact you with a personal phone call or offer you a zoom meeting. There will be the usual time system set up on the school website for you to identify the most convenient time for you to be contacted.

Have a wonderful weekend. See you on Monday xx

## Fairy Kingdom

You may have noticed some work going on near the entrance to school. Mrs Jones has been spending time training the willow arch to reach the railings. She has then begun weaving some dried willow into the fencing railings to provide some shelter. Next ideas will be to put down some artificial grass and create some unique tyre seats.

If you would like to donate some fairy world garden products, that would be really appreciated – doorways, fairies, toadstools etc!

## Ribbon Please

We would like every child to find a piece of ribbon that they like and bring it into school. The ribbon will need to be between 15cm and 30cm in length.

This will be used to create a dream wall in our fairy land. Many thanks in advance. Please feel free to donate any spare ribbon to school for any children who are unable to source their own.

## A New Vicar

Curate Hilary announced last week that a new incumbent has been appointed. The Revd Canon Ron Iveson, currently of Bidston on the Wirral, is due to take up the position in January.

We will work with Norley and Crowton to find a way to give him a special welcome.

## New Office Team Member

A new face in the office, we give a warm welcome to Mrs Evanson who has joined the Admin team.
